<sup>1</sup>This list was compiled from several sources to recognize those individuals who have made significant financial contributions (>\$1000 in aggregate) to support the BIEF-Campaign for Clarity. It is known to contain many inadvertent omissions, since some individuals contributed through their local professional association which simply forwarded one consolidated check, and others contributed in the name of their company without specifying an individual. Please help us correct/ update our records by emailing the details of any individual contribution(s) we may have inadvertently omitted to [mertel@TransworldMA.com](mailto:mertel@TransworldMA.com) so we can appropriately recognize those major financial sponsors.
